

*Silhouette Intimate Moments*

### HIDDEN SECRETS

Anne Goodwin returned to Noble's Run because of a promise and a vision—bits of a childhood memory scattered like pieces of an elaborate puzzle. Rob MacKenzie was a part of that vision. He'd been her hero back then, saving her from harm.

Years later he was more than willing to rescue Anne again, but now the stakes were higher. The quaint charms of Rob's hometown could no longer mask its dark secrets. Land disputes, anonymous threats, the disappearance of a young woman . . . soon Rob and Anne realized she alone held the key unlocking the mysteries of the past. But while she had nothing to hide, they quickly learned she might have everything to lose.

A promise made,  
the truth revealed . . .

*"Anne, I want to help you."*

"Why won't you tell me what's really going on?"

"I can't," she said.

"You mean you won't," he challenged.

She couldn't speak. ~~For an instant the~~  
~~nightmare episode replayed itself in her mind,~~  
~~bringing with it the horror, putting fear back in~~  
~~her eyes.~~

Suddenly his arms were around her, and all her  
~~senses were heightened by a single focus:~~  
~~him. His taste, his lips, his head, the soft, pressing~~  
~~against hers, his warmth seeping into her,~~  
~~heating her blood. Hadn't she known that he~~  
~~would be like this, had to be like this? Their~~  
~~lips had been joined, but this was~~  
beyond imagining, with his body pressed  
~~against hers.~~

"I'd never hurt you, Anne," he whispered.  
"~~Could~~ make you believe that if only you'd  
trust me..."

Ha! a million

Dear Reader

When two people fall in love, the world is suddenly new and exciting, and it's that same excitement we bring to you in Silhouette Intimate Moments. These are stories with scope, with grandeur. The characters lead the way, we all dream of, and everything that follows is the wonder of being in love.

Larger and more sensuous than most romances, Silhouette Intimate Moments novels take you away from everyday life and let you share the magic of love. Adventure, glamour, drama, even suspense are the passwords that let you into a world where there is a power beyond the ordinary, where the best authors in the field today create stories of love and commitment that will stay with you always.

In coming months look for novels by your favorite authors: Marla Seger, Parris Afton Bonds, Linda Howard and Nora Roberts, to name just a few. And whenever you buy books, look for all the Silhouette Intimate Moments love stories for today's women by today's women.

~~THE LADY~~

Now settled in North Carolina, traveled throughout the country, north and south, east and west, when her husband was in the military. She's always loved to write but has only become serious about it in the past four years. She likes animals, is active in her local writers club and forces herself away from her computer every day to get outdoors and exercise.
